

# Baby Shower BINGO

Baby Shower Bingo is played just like a game of regular bingo except the squares are filled with baby related words instead of numbers. Each shower guest is given a bingo card along with a marker or dauber to mark off words on their card as they are called. If you would like to play several times, you can give guests coins, chocolate kisses, M&M's, or other removable items to mark their cards. Below is the table of words that the caller uses. We suggest cutting them apart along the lines. Then fold the pieces of paper in half and place them in a bowl or hat. The caller selects pieces of paper from the bowl and calls out words, one at a time, until someone yells BINGO! Be sure to let guests know that a vertical, horizontal, criss-cross or four corner pattern count as a Bingo.
